

News You Can Use

New Program Starting!

Our twos program is a go. We will be meeting on MWF AM. Children can go all three days for \$240 per month or choose any combination of 2 days for \$167 per month. We will also accept children into our Y3 program who meet the 2s cut off (2 by September 1) on T/TH AM.

Extended Hours

Are you interested in extended hours? We are trying to start a new program where children in the 3, 4 or 5 program may stay in an extended lunch bunch MWF and possibly TTH. Under this option, children in MWF could stay until 12:30. Children coming for the afternoon could come in at 11:30. Please call the office at 847-367-0926 if you are interested in this option. We will need a minimum number to provide this service.

Passports are available in North Office

Start your savings now! People who have ordered these love all the savings. I think I've already made my money back on it and I have a year to go. \$20 supports your child's school and offers a wealth of discounts.

Toilet Training Issues

Next year we will be equipped at the North Center to enroll children who are not yet thoroughly toilet trained. Although we would really like you to work with your child, especially those who are three, if you are not quite there, there is now no need to drop. We will deal with these issues at the North Center.

Therefore, MWF Y3s, which is meeting at the West Center, must meet the same requirements in toilet training as before. If your MWF Y3 child is not yet toilet trained, they can go into the MWF AM 2s or the TTH AM Y3s/2s class, provided there is room.

Children in the 2s program, the TTH Y3, or 3s do not need to be thoroughly trained.

Again, we do urge you to work with your 3s because time spent changing, is time away from the classroom.
